

# TITLE PROTECTION NOTICE

## SPECIAL INFORMATION FOR OKLAHOMA RESIDENTS

Oklahoma law requires the Lender to disclose the following:

In connection with your loan, a title protection document will be issued to the Lender. This document does not protect the buyer. You should seek independent, competent advice as to whether you should obtain any additional title protection insurance. If you desire additional title protection, you should obtain it in a timely manner in order to avoid undue delay of the closing under the terms of the contract of sale.
